

## VISITING

We are located in Newmarket. Newmarket is a market town in the English county of Suffolk, approximately 65 miles north of London. It is generally considered the birthplace and global centre of thoroughbred horse racing. Our closest airport is Stansted (STN), located 35 miles south of Newmarket. We are lucky to sit in between Cambridge and Bury St Edmunds (15 miles each way from Newmarket) which are both steeped in beautiful history. Our facility is located less than 1 mile from A14 junction 37.

If you would like to extend your visit, we certainly recommend a visit to our surrounding towns Cambridge and Bury St Edmunds. Cambridge boasts fantastic restaurants and bars as well as its famous river punting. Bury St Edmunds is an historical market town with an impressive Cathedral surrounded by the ruins and gardens of a Benedictine monastery. For those looking for some adventure, we are less than 5 miles from Wildtracks which is an outdoor activity facility including 4X4 days, go karting, quad bikes, archery and motocross. If a coastal walk is of interest, you will be spoilt for choice. The county of Suffolk along with neighbouring Norfolk possess some of the most beautiful coastlines in the UK.
